FREE RANGE BRONZE AND WHITE TURKEYS

Our turkeys come from Robert Scragg at Dale Bank Farm, Freehay, Staffordshire, one of the oldest turkey farmers in the country. We've been dealing with Robert for ten years now and his birds are reared outdoor on grass pasture and fed on the highest quality corn to ensure maximum flavour. Choose from free range bronze or white turkeys -perfect for the main event!

MEATY EXTRAS & TRIMMINGS..

We have all your festive favourites from pigs in blankets, to sausage meat to streaky bacon, chipolatas and stuffing!

EASY CARVE STUFFED JOINTS, LOCALLY REARED ROAST BEEF AND GAMMONS

Choose from a deluxe turkey parcel, wrapped in bacon stuffed with Croots sausage to a turkey breast boneless joint available with or without stuffing. Perhaps you fancy an aged rib of beef or sirloin from local Derbyshire farms, a free range cockerel from Packington Farms in Staffordshire or a Dry Cured gammon joint. We also have a range of Christmas meat hampers – see our online shop for more details.

THE PERFECT PARTY AT HOME

Our deli counter will be full of all your festive favourites of homemade pork pies, sausage rolls, quiches and scotch eggs to name a few. Take home a selection of the best local, regional and British cheeses or try a selection of olives and charcuterie and locally baked sourdough breads for your table.

Our cake range boasts a selection of our best selling homemade Croots mince pies, decadent chocolate traybakes cakes and tarts, all of which are baked daily in small batches. We're also proud to stock a wide range of local craft beers, ciders, wines & spirits & juices.
